Maisy is easily one of our best females! She has it all. Fine, bright, dense, crimped fibre, great conformation and gorgeous head style.

Her sire is Arriba Cortez, one of our best herdsires. (Sire of 7x Grey Champion Arriba Adonis and Black Champion Arriba Willa)

Her dam Spruce Park Monet, is a Supreme Champion.

Maisy has two crias on the ground so far and is an excellent production female! Her first cria proved that she can throw black. Magnetic is so handsome and has been doing well in the show rings. Her second cria is a stunning male sired by Oreo. Watch for Magnetism in the 2019 shows.

****Magnetism will be weaned by sale time, but as a special for the CNASF Lottery, he can be included with purchase**** He has definite herdsire potential.

Maisy is bred to our Champion White Male, Arriba Alvis for an August 2019 cria. This should be a fabulous combination.

We really love our Cortez daughters! They are difficult to part with and don't come up for sale very often. Don't miss this one!
