Talisa is a gorgeous female sired by Arriba Coty. Love everything about her. Beautiful fleece and phenotype coming from some of our best genetics.

Her sire Arriba Coty is our super handsome 2x Champion White Male with lots of colour in his background. He is from 7x Grey Champion Arriba Adonis and Spruce Park Confetti, a beautiful award winning appaloosa female!

Talisa's Dam Arriba Tiana is a stunning white female. Her sire is none other than 3x Champion Grayson Sky (silver grey) and her dam is Champion Arriba Teadora (solid brown)

With her grey features and incredible lineage, no doubt that Talisa has the ability to produce amazing, colourful crias in the future!
