Caley's Spice is the first time a Conopa daughter has been crossed with Braveheart and we were not disappointed with the results.

She carries a fine medium brown fleece and has very dark genetics with lasting fineness.

Her sire Snowmass XXX Braveheart had an AFD of 15.9 @ 3 years old and AFD 20.1 @ 11 years of age.

She would make a good addition to any herd looking to add fineness.
